

Insurance – Tailored for You

Do you want the best motor insurance to serve your needs?

At **JN General Insurance** (JNGI) we offer insurance tailored to suit your specific needs. And we provide the support when you want it, so you can feel safe with your options.

Gold Shield Motor Policy

Are you between 25 and 75 years, and have held your driver's license for at least three years? If so, we have a private comprehensive motor policy for you: **The Gold Shield**, which covers theft and damage to your vehicle, as well as third party liability obligations. As a bonus, you also receive accident forgiveness, discounted vehicle valuation, and free **Jamaica Automobile Association** (JAA) membership.

Drive Smart Motor Policy

If you are up to 29 years old and looking for Comprehensive or Third Party coverage, our **JNGI Drive Smart** option could be the motor insurance policy for you. A big bonus of this policy is our Safe Driver Discount of 40%, offered to those who complete the JAA Driver Improvement Course.

Third Party Policy

This **Third Party Policy** covers your legal liability for property damage and bodily injury to Third Parties at a very affordable rate. If you are 25 to 75 years old, and have been accident/claim free for the past three years, then this could be the policy you need.

Accident Response

Don't panic if you have an accident. Our **JAA** subsidiary will arrive at the scene within 40 minutes of being called and take a report, including photographs. They will prepare the report and submit it to JNGI on your behalf. They will also provide you with security, if needed, and collect reports from witnesses and documents from any third party.

Mobile Claim Service

The **JNGI Mobile Claim Service**, operated through the JAA, helps to give you peace of mind by working with you throughout the entire claims process — from the initial response to the final resolution. All of our policyholders are entitled to this service, regardless of the type of motor policy you have.
